What is The Artist Easter Exhibition?

The Artists' Easter Exhibition, also known as KP, is one of the five open juried exhibitions in Denmark supported by the Danish Arts Foundation. The purpose of The Artists' Easter Exhibition is to give established artists as well as new talent the opportunity to introduce their work to a large audience. By means of the selection made by the jury, some of the current trends which are expressed in art right now are introduced. There are no standard categories. The jury consists of five arts professionals and performing artist, who are also responsible for building the exhibition.
